Call for Proposals!

We welcome proposals for poster and recorded video presentations at this year's SENCER Summer Institute and especially encourage proposals that address educational efforts that focus on climate justice. Formats are:

- Posters (should be submitted as pdf)
- Recorded sessions – each recording should be 5-10 minutes long and will be uploaded to our SENCER youtube channel after the meeting.

Membership Details

The National Center for Science and Civic Engagement is excited to announce the launch of a recurring-donor membership program! Memberships start at 50.00 and members will receive free or reduced registration for NCSCE and SENCER Institutes, symposia, workshops and webinars, as well as other member-only benefits and leadership opportunities. If you join now the cost of a basic 50.00 membership will be deducted from the 2021 SENCER Summer Institute registration fee (so membership pays for itself!) To see a description of member benefits and tiers go to the Membership tab at the ncsce.net homepage.
